

Modern Veterinary Practice

ANNUAL INDEX

VOLUME 65 — NUMBERS 1-12 INCLUSIVE
JANUARY-DECEMBER 1984
(INCLUDES EQUINE SUPPLEMENTS, MAY & DECEMBER)

SUBJECT INDEX

A

Abortion, causes in cattle	929
Abortion, prevention in twin pregnancy; horses	B13†
Adrenal cortex, diseases; dogs & cats	429, 513
Aloe vera use; burned skin	79
Anesthesia	
anesthetic emergencies & complications; small animals	916
for cesarean section, dogs & cats	29, 246
for cesarean section, large animals	522
xylazine/ketamine dosage related to temperament; horses	338
Angiocardiology, congenital heart disease; dogs	355
Aspirin, as ulcerogenic drug	923
Atelectasis, postural; dog	474

B

Basophilia in cats	79
Behavior	
attention-getting; cat	745
house plants, tearing up; kitten	901
introducing a baby; dogs	539
multiple dynamics in animal & family relationships	716
"psycho-babble"; dogs	424
treatments for obnoxious behavior; dogs	933
why DVMs should study animal behavior	363
yard as litterbox	6
Birds	
alimentary foreign body; Amazon parrot	385
egg binding	437
feather mending; raptors	37
nebulization for respiratory disease	309
pleuritis & peritonitis; Golden Eagle	548
Blood	
anemia; cats	651
basophilia in cats	79
coagulopathy; dogs	550
heparin anticoagulant therapy; equine colic	601

interpreting absolute WBC counts	446
unexplained leukocytosis; cat	248
values, effect of shipping; cattle	901
values from different veins	164
von Willebrand's disease; dogs	681

Cancer — see Neoplasms	

*May 1984 Equine Supplement

Cardiology	
acute cardiopulmonary diseases; cats	461
atrial septal defect; kitten	281
congenital cardiac disease; dogs	177, 287, 355, 451, 509, 687, 767, 837
right bundle-branch block; dog	33
Cats	
abdominocentesis & diagnostic peritoneal lavage	877
acute illness, management	359, 461
adrenal cortex diseases	429, 513
anemia	651
anesthesia for cesarean section	29, 246
anomalies of reproductive tract	629
asthma, treated with terbutaline	420
atrial septal defect; kitten	281
basophilia	79
behavior, attention-getting	745
behavior, tearing up house plants	901
clean-out injections	743
cryotherapy; ear, eye, nose lesions	905
cryotherapy for oral lesions	833
demodicosis	751
FUS, management	359
FUS, urinalysis always necessary	580
health programs, periodic	886
hepatitis associated with Tribissen therapy	115
Kirschner-Ehmer orthopedic splint	503
leukocytosis, unexplained	248
lip thickening	668
liver disease	19, 107, 183
myeloproliferative disease	753
neuropathy, associated with transient diabetes; cats	726
perineal urethrostomy	721
renal disease	478
reproductive problems	324
reproductive tract anomalies	629
retinal degeneration caused by taurine deficiency	381
urethral obstruction, emergency treatment	517
yard as litterbox	6
Cattle	
abortion, causes	929
adhesions, abdominal	386
alopecia, weakness, stiffness; calves	6
anesthesia for cesarean section	522
anestrus	154
bladder eversion	950
blood values, effect of shipping	901
calving time	118
calving time	668
conception rates; dairy cows	743
copulatory failure, causes	252
corneal dermoid; calf	553
diarrhea, <i>E. coli</i>	427
digestive tract disturbances	814
dimethoate toxicosis from pasture spray	283
drain tubes in obstructed teats, placement	775
emphysema, acute pulmonary	849
endoparasite counts at necropsy	763
fenbendazole safety	371
flukes treated with albendazole	845
genetically engineered monoclonal antibody for <i>E. coli</i> diarrhea	427
grain overload; withholding water after	338
intestinal surgery	705, 853, 909
ivermectin as antiparasitic agent	669
managing reduced fertility; beef herds	529

†December 1984 Equine Supplement

organophosphate toxicosis	945
ovariectomizing heifers	13
paratuberculosis update	134
passive antibody transfer failure; calves	625, 743
periparturient disease, diagnosis; dairy cows	16
preconditioning programs	341
reproductive problems & mastitis control in one Midwest practice	467
respiratory & enteric diseases, update	265
respiratory diseases, causes	204
respiratory syncytial virus vaccine	606
Se deficiency; dairy herd	868
Se supplementation	136
Se-vitamin E use	745, 783
self-sucking; heifers	420
slaughter weight loss caused by pregnancy	677
tuberculosis eradication	51
Choanal atresia; foals	306
Client Relations — see also Management & Business	
Procedures	
client education	236
dependency	811
pets as therapy	414
power plays with clients	571
preference for one partner	562
problem solving, defining problems	647
"trying" & "caring" increase client visits	321
why DVMs should study animal behavior	363
Computers	
here to stay	162
purchase decisions	217
Cosmetic surgery; satire	84
Cryotherapy	
ear, eye, nose lesions	905
oral lesions; dogs & cats	833
Cryptosporidia, rapid staining technic	307

D

Dermatology	
aloe vera use; burns	79
demodicosis; cats	751
scabies treatment with amitraz; dogs	597
seborrhea, idiopathic, treatment; dog	725
skin biopsy; horses	122
Diarrhea	
chronic; horse (quiz)	544
digestive tract disturbances; horses	814
genetically engineered <i>E coli</i> antibody, calves	427
pigs	487
Dogs	
abdominocentesis & diagnostic peritoneal lavage	877
adrenal cortex diseases	429, 513
anesthesia for cesarean section	29, 246
atelectasis, postural	474
behavior, obnoxious	933
behavior; "psycho-babble"	424
bundle-branch block, right	33
calcinosis, tarsal swelling	946
canine-origin parvo vaccines, puppies' response	99, 333
clean-out injections	502, 743
coagulopathy	550
colic & dyspnea	795
congenital cardiac disease	177, 287, 355, 451, 509, 687, 767, 837
cryotherapy; ear, nose, eye lesions	905

*May 1984 Equine Supplement

cryotherapy for oral lesions	833
cythioate use in flea-bite allergy	584
degenerative myelopathy; German Shepherd	535
estrous period beneficial?	338
G.I. ulceration, drug-induced	923
glaucoma treated with cyclotherapy	93
heartworm drug doses	248
heartworm infection, occult	167
heartworm treatment	961
hepatitis associated with Tribrissen therapy	115
hernia repair, perineal	365
introducing a baby	539
Kirschner-Ehmer orthopedic splint	503
lameness	569
liposarcoma, abdominal	470
liver disease	19, 107, 183
lymphosarcoma, cutaneous; cryotherapy	725
muscle transfer, gluteal	860
onion toxicity	4
orbital pneumatoxis	38
poisoning, thallium	783
proximal tibial epiphysis separation	224
renal disease, primary	633
renal parasites (<i>Diocotophyma</i>)	125
salivary mucocele	632
SAP, elevated; older dogs	830
scabies treatment with amitraz	597
seborrhea, idiopathic, treatment	725
Sertoli-cell tumor; cryptorchid dog	865
third eyelid prolapsed gland repair	223
thyroid adenocarcinoma	303
tracheal surgery	779
traumas, multiple	129
uroolithiasis; diagnosis & treatment	375
von Willebrand's disease	681

Drugs

albendazole, efficacy against cattle flukes & other parasites	845
amitraz for scabies treatment; dogs	597
aspirin-induced G.I. ulceration; dogs	923
chlormphenicol use in food-producing animals, FDA action	419
cloprostenol, increased conception rates; dairy cows	743
cythioate use in flea-bite allergy; dogs	584
drug-induced gastroduodenal ulceration; dogs	923
Eqvalan Injection discontinued	580
fenbendazole, safety; cattle	371
heparin anticoagulant therapy in equine colic	601
hepatitis associated with Tribrissen therapy; cats	115
ivermectin, antiparasitic agent; cattle	669
piroxicam helpful in lameness; dogs	569
reproduction, adverse effects on	244, 246
Septra vs Tribrissen	584, 823
sulfonamide side effects	115
terbutaline, use in treating asthma; cats	420
ticarcillin therapy for septic arthritis; foal	841

E

Electrocardiography in congenital cardiac disease; dogs	177, 451, 509, 687, 767, 837
---	------------------------------

F

Feeding — see also Herd Management

†December 1984 Equine Supplement

alopecia & muscular dystrophy with high-fat milk replacer; calves	6
colic, nutritional aspects; horses	A9*
preconditioning programs; feeder cattle	341
retinal deficiency caused by taurine deficiency; cat	381
FeLV testing needed	823
Ferrets, descending procedure	389
Fever, acute disorders; cats	461
Firing & blistering; horses	76
Fluoride toxicosis; horse	87
FUS	
management	359
urinalysis always necessary	580

G

Genetic engineering <i>E. coli</i> antibodies, for diarrhea; calves	427
Gastroduodenal ulceration, dogs	923
Grain overload, withholding water	338

H

Heart disease — see Cardiology	
Heartworms	
missed doses of medication	248
occult infection	167
treatment, dogs	961
Hematology — see Blood	
Herd Management	
cattle flukes & other parasites treated	
with albendazole	845
diagnosis of diseases; swine	25
lambs, diseases of nursing	407
parasite control, internal; horses	B3†
preconditioning programs; feeder cattle	341
reduced fertility in beef herds	529
reproductive problems & mastitis control	
in one Midwest practice	467
Se deficiency; dairy herd	868
Se for cattle problems	136
Se-vitamin E deficiency; heifers	783
Se-vitamin E deficiency; nursing lambs	409
Se-vitamin E, prophylactic use; calves	745
sow losses, causes & control	349
swine dysentery, elimination from herds	611
swine management errors	225
withholding water after grain overload	338
Hernia repair, perineal; dogs	365
Herpetology (humor)	187
Horses	
anesthesia for cesarean section	522
arthritis, septic, ticarcillin therapy	841
behavior, abnormal; foal (quiz)	B8†
"blue eye"	167
choanal atresia; foals	306
chronic diarrhea (quiz)	544
colic, nutritional aspects	A9*
colic surgery	442
dystrophic myodegeneration	B8†
Ectrin ear tags	502
Eqvalan Injection discontinued	580
heparin anticoagulant therapy in colic	601
in utero fractures	37
ivermectin and an ivermectin-penicillin combination	A14*
laser light treatment of check ligament injuries, curb & pharyngeal lymphoid hyperplasia	210

lymphosarcoma, splenic	269
malignant perianal melanoma	226
midsagittal intraarticular fracture, 3rd phalanx; colt	472
odontodysplasia (possible F1 toxicosis)	87, 419
parasites, internal, control	B3†
pollakiuria	830
proud flesh, treatment	832
purchase exams	66, 244, 692, 827
renal disease associated with colic	A26*
respiratory disease, chronic; Thoroughbred	7
<i>Rhodococcus equi</i> pneumonia; foals	787
sand consumption; foals	745
Se-vitamin E deficiency, dystrophic myodegeneration	B8†
skin biopsy	122
toxic agents in A.I.	661
tracheotomy	9, 78
transtracheal aspiration	A19*
twin pregnancy abortion, prevention	B13†
uterine culture	A3*
uveitis, recurrent	668
wound healing	904
xylazine/ketamine dosage for excitable horses	338
Hyperadrenocorticism; dogs & cats	429

I

Iatrogenic disease, drug-induced G.I. ulceration; dogs	923
Immunology, passive antibody transfer failure; calves	626, 743
Ivermectin and an ivermectin-penicillin combination; horses	A14*

J

Johne's disease — see Paratuberculosis	
--	--

K

Kidneys — see Urinary tract disease	
-------------------------------------	--

L

Laboratory testing	
absolute WBC counts, interpreting	446
antimicrobial disk sensitivity testing standardized	197
body fluids	295
cancer, laboratory aspects	771
cryptosporidia, rapid staining	307
endoparasite counts at necropsy; cattle	763
FeLV testing needed	823
formalin-ether extraction, fecal specimens	273
leptospire isolation	758
passive antibody transfer, field tests; calves	625
practical approach to diagnosis; swine	25
SAP, elevated; older dogs	830
specimen collection & interpretation; swine	25
specimen handling errors	103
thyroid function	935
toxicologic diagnosis, practical	589
transtracheal aspiration; horses	A19*
uterine culture; mares	A3*
Leptospirosis, diagnostic isolation	758
Liver disease	
cats & dogs	19, 107, 183
hepatitis associated with Tribissen therapy; dogs & cats	115

dysentery, elimination from herds	611
embryo transfer	191
estrus induction	502
management errors	225
prostaglandin use in controlled farrowing	36
sow losses, causes & control	349
Pneumonia, <i>Rhodococcus equi</i> ; in foals	787
Poisoning	
dimethoate in pasture spray; cattle	283
onions; dogs	4
organophosphate; beef heifers	945
thallium; dog	783
toxicologic diagnosis, practical	589
Public health, disease eradication, veterinary achievements	2, 51

Q

Quiz	
abnormal behavior; foal	B15†
diarrhea; horse	544

R

Rabbits, mandibular swelling	866
Radiography	
alimentary foreign body; Amazon parrot	385
angiocardiology in diagnosis of congenital cardiac disease; dogs	355
atrial septal defect; kitten	281
calcinosis circumscripta; dog	946
cardiomyopathy; cats	461
colic & dyspnea; dog	795
congenital cardiac disease; dogs	177, 287, 355, 451, 509, 687, 767, 837

†December 1984 Equine Supplement

degenerative myelopathy; German Shepherd	535
Kirschner-Ehmer orthopedic splint; cat	505
mandibular swelling (<i>Fusobacterium</i>); rabbit	866
midsagittal intraarticular fracture, P3; colt	472
multiple traumas; dog	129
postural atelectasis; dog	474
proximal tibial epiphysis separation; dog	224
<i>Rhodococcus equi</i> pneumonia; foals	787
Reproduction	
abortion causes; cattle	929
adverse effects of drugs	244, 246
anesthesia for cesarean section; dogs & cats	29, 246
anesthesia for cesarean section; large animals	522
anestrus in cows	154
anomalies of reproductive tract; cats	629
calving time	668
clean-out injections; dogs & cats	502, 743
copulatory failure; beef bulls	252
embryo transfer; swine	191
estrous period beneficial; dogs	338
estrus induction; pigs	502
periparturient disease, diagnosis; dairy cows	16
problems & mastitis control in one Midwest practice	467
problems in cats	324
prostaglandin use in controlled farrowing	36
reduced fertility in beef herds, management	529
sow losses, causes & control	349
spaying and milk production	248
toxic agents in A.I.; horses	661
twin pregnancy, abortion; horses	B13†
Respiratory disease	
causes; cattle	204
chronic; Thoroughbred	7
emphysema, acute pulmonary; cow	849
nebulization; birds	309
respiratory & enteric diseases, update; cattle	265
<i>Rhodococcus equi</i> pneumonia; foals	787
syncytial virus vaccine, field trials, cattle	606

S

Sheep	
diseases of nursing lambs	407
paratuberculosis diagnosis	139
Se-vitamin E deficiency; nursing lambs	409
Skin — see Dermatology	
Spleen, lymphosarcoma; horse	269
Surgery	
abdominocentesis & diagnostic peritoneal lavage; dogs & cats	877
anesthesia for cesarean section; dogs & cats	29, 246
anesthetic complications; small animals	916
cancer management	615
colic; horses	442
cryotherapy, ear, eye, nose	905
cryotherapy for oral lesions; dogs & cats	833
drain tube placement in obstructed teats	775
gluteal muscle transfer, deep; dogs	860
intestinal; cattle	705, 853, 909
Kirschner-Ehmer splint; small animals	503
nylon cerclage straps	4
ovariectomizing heifers	13
perineal hernia repair	365
perineal urethrostomy; cats	721
post-cesarean section adhesions cause illness; cow	386
salivary mucocele; dog	632
third eyelid gland prolapse; dog	223
tracheal; dogs	779

tracheotomy; horse	9, 78
transtracheal aspiration; horses	A19*
urethral obstruction, emergency treatment; male cats	517

T

Teeth, odontodysplasia; horse	87, 419
Thyroid	
adenocarcinoma; dog	303
function testing	935
Toxicology — see Poisoning	
Trauma	
abdominocentesis & diagnostic peritoneal lavage; small animals	877
multiple traumas; dog	129
Tumors — see Neoplasms	

U

Urinary tract disease	
bladder eversion; dairy cows	950
diagnosis & treatment; dogs	375
FUS, management	359
FUS, urinalysis always necessary	580
perineal urethrostomy; cats	721
renal disease, management; cat	478
renal disease, primary; dog	633
urethral obstruction, emergency treatment; male cats	517
uroolithiasis; diagnosis & treatment; dogs	375

V

Vaccination	
bovine respiratory syncytial virus vaccine, field trials	606
canine-origin parvovirus vaccines, puppies' response	99, 333
4-pilus <i>E. coli</i> bacterin, use in swine neonates	39
Veterinary history	
conquest of tuberculosis	51
USDA Bureau of Animal Industry accomplishments	2
Veterinary practice	
American C.E. program in Chile	698
computers	162
crossroads or cloverleaf?	63
ex-employee competition deterrent	336
extra-label drug flap	74
herpetologist (memoir)	187
house call scheduling	804
hydraulic table top	166
marketing does pay	494
more marketing needed	494
"most difficult canine cases"	236
multi-specialty clinic	292
New for Your Practice	61, 149, 231, 317, 397, 566, 640, 805, 870, B12†
pet health plans	711
setting up a group practice	42
self-criticism	151, 233
small animal stretcher, inexpensive	389
veterinary medicine becomes obsolete	403
Veterinary profession	
role in food/population problems	171
too many DVMs?	242

W

Wound healing; horses	904
